

VOLKSWAGEN

GROUP OF AMERICA

FLEET SERVICES

FULL

Protect yourself from unbudgeted expenses with one flat monthly maintenance fee

Spend less time on fleet administration and accounts payable time

RESERVED

Pay a fixed monthly fee

At the end of the lease term, all bills are reconciled and the account is balanced

ADMINISTERED

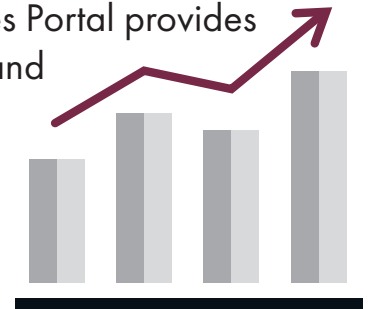

Pay-as-you-go only for the services you use

Simplify your accounting with one consolidated monthly invoice

FIND THE BEST MAINTENANCE PLAN FOR YOU

At Volkswagen Group of America Fleet Services, we offer fleet maintenance programs to fit your needs - helping you control expenses and alleviate the administrative burdens of reviewing repairs and costs. With VWGoA Fleet Services' nationwide fleet maintenance coverage behind you, you and your drivers will always breathe easy and focus on your actual business.

VWGoA Fleet Services Portal provides you with full visibility and easy access to maintenance data quickly and efficiently through customizable dashboards.

VWGoA Fleet Services Portal allows real-time drill-through reports showcasing multiple levels of information down to purchase order level details and spend.
